**Viking Custom Paint Process (cULus Listed)**  
**Concealed Cover Plates**

**Description:** Viking concealed cover plates are UL listed to accept any type and manufacturer of paint within the constraints of Viking's quality control requirements. Acrylic latex and latex paints require a longer drying time. Acrylic latex and latex paints with sheen qualities other than flat may not be exact matches.

**Terms and Conditions of Sale:** Orders covering special painted products are not subject to cancellation except by written permission and then only upon agreement to make payment for work already performed. Viking reserves the right to over ship special painted products produced in excess of order quantity at no charge. No return of these products is allowed. Changes to products may result in the loss of listings or approvals.

**To Order:** Contact your Viking SupplyNet Customer Service Representative.

**Identification of Custom Paint Color:** All custom color painted cover plates will have an identifying label affixed to the inside of the cover that indicates custom color and will have a representative sample (a paint dot) of the paint on the label.
